“ **GDIA aims for Your Gold Standard Dental Practice** ”

**Dr. Kevin Kim**  
DDS, FGDIA

Dr. Kevin Kim received his undergraduate degree in psychology from the University of California San Diego. He attended the University of Southern California to obtain his Doctorate of Dental Surgery. Dr. Kim is a graduate of the Kois Center, has completed courses on advanced bone grafting at the Picos Institute, took a nine-month implant training program at the Misch International Implant Institute, trained in the use of Puros block allograft, completed implant training at The Zimmer Institute, and completed an IV sedation course. All of the time he has spent learning new things and keeping up to date on current technology directly influences the care he is able to give his patients

**Dr. Marco Tulio Alzaga Vega**  
DDS, FGDIA

Dr. Tulio, a 2000 graduate of the University of Baja California dental school, discovered his passion for oral implantology early in his career. He pursued extensive education, achieving Diplomate in Oral Implantology and completing a Master's Degree in Oral Implantology in 2009. A member of AMIB and president of CIBBC, Dr. Alzaga is dedicated to advancing implantology. As president of Centro Comunitario de Odontologia Especializada, a non-profit, he aims to provide dental care to underprivileged individuals. Dr. Tulio practices interdisciplinary care with a focus on oral implantology at his own practice, Centro de Odontologia Especializada, aiming to restore smiles and enhance oral health.

**Dr. Jill Park**  
DMD, FICOI, FGDIA

Dr. Jill Park, a 2012 Tufts University dental school graduate, owns "JP Dental" in Hartford, CT since 2016. She holds a Biology degree from the University of Massachusetts, Amherst (2008). An active member of AGD, ICOI, WAUPS, and a Fellow of GDIA, Dr. Park is a Surgical Faculty Member of GDIA Live-Patient Surgical Training Programs in Tijuana since 2019. Proficient in designing, milling, and utilizing 3D printing for various dental applications, she presented internationally on topics like autologous tooth block grafts. Dr. Park's dentistry philosophy emphasizes trust-building with patients. Committed to excellence, she continually enhances her practice through ongoing education, integrating the latest techniques and technologies to provide the highest level of care.

**Dr. Kwan-Lee**  
DDS, DABOI, DICOI

Dr. Lee is a board-certified implant dentist by the American Board of Oral Implantology (ABOI), which requires rigorous tests and case defenses. This board-certification symbolizes the highest level of competency in implant dentistry. There are only 7 board-certified dentists in Washington and 400 in U.S. as of 2016. Dr. Kwan M. Lee is among of them. After attaining his bachelor's degree in Biochemistry from UCLA, Dr. Lee went on to earn his dental degree from the University of Southern California. Since then, Dr. Lee has completed a year of implant training and general oral surgery training at the University of Washington, School of Dentistry.
