1000NE 122nd Ave.
Portland, OR 97230

* A current malpractice policy and an active unrestricted Oregon dental license is required for attendees to be able to participate in surgical procedures.

Dr. Kevin Kim, DDS, FGDIA

Dr. Kevin Kim received his undergraduate degree in psychology from the University of California San Diego. He attended the University of Southern California to obtain his Doctorate of Dental Surgery.

Dr. Kim is a graduate of the Kois Center, has completed courses on advanced bone grafting at the Pikos Institute, took a nine-month implant training program at the Misch International Implant Institute, trained in the use of Puros block allograft, completed implant training at The Zimmer Institute, and completed an IV sedation course. All of the time he has spent learning new things and keeping up to date on current technology directly influences the care he is able to give his patients.

- International Congress of Oral Implantologists - Fellow
- Misch International Implant Institute - Fellow
- Academy of Osseointegration Chao-PST trained
- Pierce County Dental Society - Board of trustees

Dr. Hyungsup Lee, DDS

Dr. Lee was born and raised in Seoul, South Korea. He came to Oregon when he was 20 and received his bachelor's degree in Biology from Oregon State University, and he went on to earn his dental degree from Western University of Health Sciences in Pomona, CA in 2015. He has been practicing in private offices in the Portland metro area since then. He is currently the owner dentist at Advanced Dental Arts NW in Portland, OR.

Dr. Lee is also an active member of the American Academy of Cosmetic Dentistry, American Academy of Implant Dentistry, and the R.V Tucker Gold Restoration Study Club. In his free time, Dr. Lee likes to spend time with his wife and three children, who he says have helped transform him into an even more nurturing and patient person. He also enjoys biking, snowboarding, golf, and paddle boarding.

Patient-care focused implant surgical course, offering basic to advanced implant surgery training with unrivaled curriculum.
