8. Complication managements
9. Master horizontal and vertical augmentation.
10. Improve graft predictability.
11. Soft tissue management for the successful graft

**Dr. Kwan M. Lee**  
DDS, DABOI, DICOI

Dr. Lee is a board-certified implant dentist by the American Board of Oral Implantology (ABOI), which requires rigorous tests and case defenses. This board-certification symbolizes the highest level of competency in implant dentistry. There are only 7 board-certified dentists in Washington and 400 in U.S. as of 2016 and Dr. Kwan M. Lee is among one of them.

After attaining his bachelor's degree in Biochemistry from UCLA, Dr. Lee went on to earn his dental degree from the University of Southern California. Since then, Dr. Lee has completed a year of implant training and general oral surgery training at the University of Washington, School of Dentistry.
