

2025 Basic Implant Course

Lecture, Hands-on & Live Surgery

Begin with **2** implants,
with the option to place more!

4-Day Course: October 10-11 & 17-18
Pleasanton, CA

Course Objective:

TUITION: \$3,000 | 32 CE

Basic Implant Course is specifically designed for dentists who are new to dental implant placement. The first session will concentrate on basic surgical and implant therapy, with a focus on mastering the single-tooth implant. The course aims to provide dentists with a solid foundation in the knowledge and skills required to safely and effectively diagnose, plan, and place dental implants in their own offices.

DAY 1 (Friday, October 10, 2025)

- Evaluating patients: anatomy, medical assessment, site volume
- Understanding fundamentals of bone biology, wound healing, biomechanics
- Navigating implant console, motor, surgical kit, prosthetics
- Planning and placing implants in correct location, angulation, depth via freehanded

DAY 2 (Saturday, October 11, 2025)

- Planning an intermediate case and deciding correct size, position
- Learning materials and methods of bone grafting and membranes
- Restoring implants with excellent cosmetic results
- Implementing excellent sterile technique
- Developing good clinical decisions and clear dialogue with patient

Lecture

Basic Implant Course Instructors:

Janice Wang
DDS

Owner and Dentist of a referral-based practice specializing in dental implants and restorations. Experienced in multiple systems (Hiossen, DENTIS, Nobel, Zimmer, Endopore, etc.) and skilled in bone grafting, sinus grafting, and challenging cases, including narrow or short bone. Proficient in troubleshooting tough cases, restoring implants, and improving esthetics, with over 5,000 successful implant placements.

Sanjeev Sharma
DDS

Dr. Sharma, with over 30 years of experience, has served as a General Dentist, Associate Professor, and private practitioner since 1999. Leading Sharma Dental in Dublin since 2017, he is an ICOI Fellow and ADA member, specializing in prosthodontics and committed to clinical excellence and building patient trust.

QUAN NGUYEN
DDS

Dr. Nguyen received his Doctor of Dental Surgery Degree from the University of the Pacific in 1999 and has been in private practice since. He owns Innovation Dental in Elk Grove and Stockton, California, with a focus on guided implant surgery and digital dentistry. He and his lab techs create most restorations in-house. Outside of work, he enjoys time with his wife and five children.

Christopher Petrush
DDS

Dr. Petrush is a Diplomate of the American Board of Oral Implantology and an Honored Fellow of the American Academy of Implant Dentistry since 2023. He lectures globally on bone grafting and is a guest speaker for the AAID Las Vegas Maxicourse. Additionally, he directs the Chicago AAID Maxicourse, educating doctors on both basic and advanced aspects of implant dentistry.
