ALL-ON-X / FULL ARCH IMPLANT COURSE

Advanced Clinical Training with Live Surgical Insight & Digital Workflow Integration

This intensive course is designed for dental professionals who want to deepen their understanding of the All-on-X concept for full arch rehabilitation. Through a combination of focused lectures and real-time surgical observation, participants will gain a clear, clinical roadmap for successful treatment planning and execution.

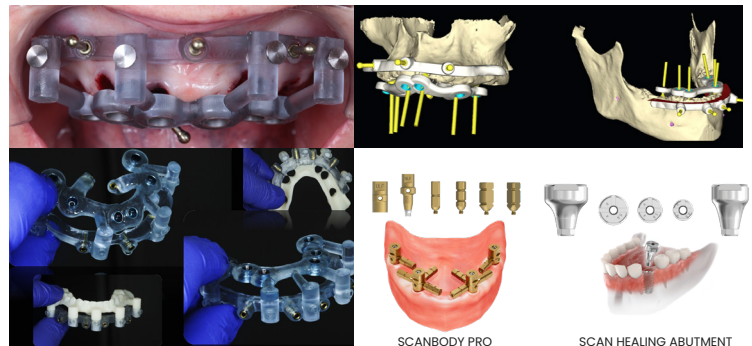

*Day 1

All-on-X: Surgical Protocols & Avoiding Complications
 An Advanced Training Session for Implant Surgeons

1. Introduction to All-on-X Surgery
 - Clinical indications and patient selection
2. Pre-Surgical Planning
 - CBCT & digital planning essentials
 - Guided vs. freehand surgery
 - Immediate vs. delayed loading
3. Surgical Protocol: Step-by-Step Breakdown
 - Flap design and bone reduction
 - Implant positioning and angulation
 - Achieving primary stability
4. Avoiding Common Complications
 - Nerve proximity and sinus issues
 - Inadequate primary stability
 - Infection control & peri-implantitis prevention
 - Managing patient expectations
5. Case Reviews & Real-World Lessons
 - Successes and failures

*Day 2 (Lecture with hands-on)

1. Guided Surgery
 - Stackable Guides for FPI and FP3 planning
2. Digital workflow for Immediate loading:
 - Extraoral Photogrammetry
 - Intraoral IOS Scans
3. Final restoration scans in 2 appointment

ALL-ON-X INSTRUCTORS

Dr. Jiro Akpobome DDS

Dr. Jiro Akpobome is a traveling implant surgeon and extractionist in Houston, TX, currently building a Dental Implant Center for treatment and education. A former professional trombonist, he transitioned to dentistry, earning his degree from Baylor College of Dentistry. He completed a hybrid AEGD/GPR at the University of New Mexico Hospital, gaining expertise in IV sedation, third molar extractions, and implant placement. With 7+ years of implant experience, he has trained under renowned mentors and completed nearly 1,000 CE credits. Dr. Jiro is a Fellow of the AAIP and an active member of ICOI, AAID, ADSA, and ADA.

Dr. Tony Zhang DDS

Dr. Tony (Xiaowen) Zhang earned his DDS in Argentina and completed a Prosthodontics and Implant Dentistry Specialist Program at USAL AOA. A pioneer in digital dentistry, he has over a decade of experience with CAD/CAM workflows. He has organized and lectured alongside global experts including Dr. Sascha Jovanovic and Dr. Ed McLaren. Since 2021, he has operated Blue3D Dental Lab in Arcadia, Los Angeles—a premier digital lab specializing in implant and full-arch restorations. The lab offers guided surgery planning, stackable guides, immediate loading, and advanced digital solutions using cutting-edge technology and photogrammetry systems.
